REMARKS

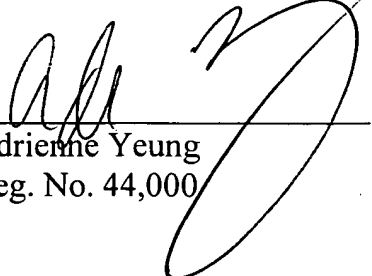

Amendments have been made to the specification for the purposes of cross-referencing the parent application. The amendments made herein are of a clerical nature. It is submitted that the proposed amendments to the specification do not constitute new matter or are such to require reexamination.

Attached hereto is a marked-up version of the changes made to the specification and claims by the current amendment. The attached page is captioned "Version with markings to show changes made."

In view of the foregoing, consideration and an early allowance of this application are earnestly solicited.

Respectfully submitted,
 THELEN REID & PRIEST LLP
